Treasurer's Report: Barbara Sumrell

7:20 Carol Jean Wheeler: Introduction of our speaker, **Trish Wiese**

Trish Wiese from The Picture Framer at 35 Milton Avenue will show various framing options for artwork. She is a highly skilled framer who has experience with a number of different types of framing projects. She will demonstrate the process of matting and framing and will answer questions about various issues that rise with different types of art pieces. Bring your work to get suggestions from Trish about how it would best be framed.

Short Break

ART SHARE.

We ask everyone to bring a piece of work to show the group. For those who don't have work to show but have *read or found something interesting to share*, please bring it. At our last meeting, Craig Ford showed a DVD about David Hockney. This served as a wonderful springboard for a discussion of art and for enjoying work that our members have created. Great meeting!

9:00 Adjournment

Alpharetta Library: The latest exhibit was installed in early September. Brenda Heath is in charge of this venue and will notify us of the next exhibit. Be sure and participate in this venue. Several exhibiting artists have received inquiries about their work. Very good exposure to the public.

Let Susan McLean know if you would like to participate in the Somerby exhibits. If you don't have a large enough body of work, we can pair you with another artist.
