*Gautier was born and grew up in Normandy, near the D-Day beaches and the Mont Saint Michel, in Western France. She studied at l'Ecole des Beaux Arts in Paris.*

*Isabelle Gautier's art is a constant research and discovery of colors and compositions. Her style, the themes she selects, and the painting techniques she deploys have continued to evolve over the 15 years she has been a professional artist.*

*Gautier's recent floral paintings are harmonious color compositions consistent with the soothing colors found throughout her oeuvre. Flowers carry the universal symbol of beauty and friendship.*

*Prize winning artist, Gautier was the Spotlight on Art brochure cover artist, for the prestigious annual Trinity School Art Market, and their Neiman Marcus showcase, in Atlanta.*

*In 2015 her art was included in the Marietta /Cobb Museum as part of the Art Metro Montage exhibition.*

*Recognized nationally by Saatchi Art, Gautier was also featured as the main artist in the HGTV Smart House in Jacksonville. She was honored to be featured among the Artists to Watch and Collect in Visual Language Art Magazine, 2014.*

*Gautier currently resides and works in Atlanta. Her work can be found in public historic landmarks and corporate collections including Atlanta Fine Homes Sotheby's International Realty.*
